Los Angeles, California

PREDITOR – A PRODUCER AND EDITOR, FOCUSED ON NON-FICTION STORYTELLING, MARKETING / ADVERTISING, PROGRAM DEVELOPMENT, AND INNOVATIVE CONTENT CREATION.

SAMPLES ONLINE: <https://www.thomasandfriends.online>

SPECIALTY AREAS:

- Non-fiction filmmaking – Long and short-form
- Product / entertainment marketing and consumer advertising
- Music Video production, promotion, and advertising

EXECUTIVE POSITIONS

- **DIRECTOR OF VIDEO DEVELOPMENT / Rhino Entertainment –**
Delivering inspired consumer products that super-charged revenues for artists from Alice Cooper to H.R.Puffinstuff.
- **CREATIVE DIRECTOR / Producers Creative Service –**
Conceived and implemented Exhibitor Marketing Strategies to platform top-grossing releases from Universal, Columbia, 20th Century-Fox, and LucasFilm.
- **DIRECTOR OF PROMOTIONS / KCOP-TV –**
Activated fresh brand strategy using engaging on-air spots and advertising to distinguish the station as the Number One Independent in the Los Angeles market during my tenure.

BROADCAST / CABLE SERIES PRODUCTION

- **A&E / “Biography” (Produced and Wrote) –** Delivered ratings boost to the venerated series with the Official 20th Century-Fox feature length portraits of both Marilyn Monroe and Shirley Temple.
- **LIFETIME / “Intimate Portraits” (Produced and Wrote) –** Significantly increased viewership with original prime time event specials on both Yoko Ono and Mary Tyler Moore.
- **TLC / “Super Structures of the World” (Executive Producer, Writer, and Editor) –** Dynamic ratings week mini-series introduced to increase market share, focused on mammoth engineering achievements on location in Panama, the England/France Chunnel, and aboard nuclear submarines.
- **HISTORY CHANNEL / “Modern Marvels” (Development, Original Series Producer for the first two seasons, Writer, and Editor) –** The first original programming ever on the network, this classic long-running series made ratings soar, and built synergy between the channel and its partner, Hearst Entertainment.
- **SYFY / “Trailer Park” (Creator, Series Producer, Writer, and Director) –** Spiked the 18–34 late night audience for the upstart network with three seasons of unconventional weekly comedy, starring host Tom Davis – head-writer for “SNL” and half of comedy team “Franken & Davis.”
- **SABAN / “Samurai Pizza Cats” (Series Producer, Editor, and Writer) –** 52-episode international hit animé comedy series, designed for and delivering the advertiser-prized “tween” audience – now a cult classic among Millennials.

BROADCAST / CABLE SPECIALS

- **DISNEY / “Alien Encounters” (Produced, Wrote, and Edited) –** Generated attendance bonanza with national broadcast special introducing the opening of the legendary new attraction from George Lucas and Disney in Walt Disney World’s New Tomorrowland.
- **PBS / “Graham Nash: Live In London” (Produced, Shot and Edited) –** Intimate feature about the artist’s life and work on the road as a fundraising event for Public Television, filmed on location throughout the U.K., including major concert performance in London.
